BELLE GLADE-PAHOKEE, FL.

Remember to change your clock this weekend

Don't forget to turn your clocks back an hour before you go to bed Saturday as the nation switches from Daylight Savings Time back to Standard Time. If you want to wait up for the moment, the conversion comes at 1 a.m. Sunday, which then becomes midnight.

Enjoy your extra hour of sleep. You'll have to return it in the spring.

Cities announce trick or treat times

The police departments of Belle Glade and South Bay are asking local residents to trick or treat on Sunday, October 31 between 5 and 5 p.m., according to Sergeant Dan Crist.

Crist said trick or treaters are also asked to stay in their neighborhoods for safety reasons. "We're asking them to stay in their neighborhoods due to the recent bizarre happenings at cities and states nearby," said Crist. "They are more apt to know the people in their neighborhood."

This week, members of the police departments have been giving presentations to local school children on safety precautions to take during Halloween.

Pamphlets produced by the National Children's Safety Council and paid for by local business people have been distributed. The pamphlets address several areas of Halloween, including costumes and masks, treats, parties and trick-or-treating.

Children can also pick up trick-or-treat bags from G and G Muffler, according to Crist.

Ducks Unlimited Thursday

BELLE GLADE — The Glades Chapter of Ducks Unlimited will hold its annual banquet tonight at the Belle Glade Elk's Club.

Nonmembers can attend by paying a \$30 dues and admission fee at the door.

A raffle and auction will be held during the event.

BRIEFLY

Abby Zumph is Belle Glade's Citizen of the Year. Her award was just one of a many things which happened at the Chamber of Commerce banquet last week. Get the complete story on page 1B.

Fall is the season for counterfeiters and forgers, as well as the sugar harvest. Area bankers learned how to fight this problem Thursday, Page 4B.

Water contract awarded

BELLE GLADE — With most of the money in hand and the rest on the shelf in unissued bonds, the Belle Glade City Commission accepted the recommendations of its consulting engineering firm and assigned contracts for the water treatment plant and raw water, booster pump station projects.

W.E.D. Contractors, Inc. was awarded the contract on the water treatment plant improvements. It submitted the low quotation of \$2,668,800 for the project.

That quote was about \$425,000 higher than the original estimates by Briley, Wild and Associates, the city's engineering consulting

firm. John W. Cumming, a project manager with the firm, said negotiations with W.E.D. have probably reduced the costs by as much as \$414,000, making the new cost \$2,254,000.

Changes in the design and contract include the city purchasing equipment for the ozone treatment part of the design outright instead of through a third party.

The city could deduct about \$81,000 from the cost of the project through this move by avoiding the five percent state sales tax and the five percent plus mark-up due to the middle man, according to Cumming.

Other changes include alterations in the ozone generation system and using PVC plumbing instead of galvanized.

Old instruments may be used instead of purchasing new ones, also, said Cumming.

"Of course, galvanized is preferable, if you can afford it," he said. "I'd rather have new instruments, but we may not be able to afford it."

Nine companies had bid on the project.

The commission had awarded the raw water booster station contract to Sunset Construction Company upon the engineer's recommendation.

(Continued on Page 3)

OFFICERS from Glades Correctional Institution, the Belle Glade Police Department and the Glades sub-station of the Sheriff's Department converged on a cane field in

north-east Belle Glade Thursday, October 21, to apprehend two escaped GCI inmates.

Payment of patient medical bills could cut hospital taxes

BELLE GLADE — Glades area residents could get a tax relief if more patients receiving services at Glades General Hospital will pay for the services they receive.

Hospital Administrator Patrick Lennon told board members, the hospital has approximately \$2 million dollars in bad debt claims.

"If we could collect on the debts, taxes could be cut by a third," said Lennon.

The bad debt figures were disclosed Tuesday at the monthly meeting of the board.

Lennon said Glades General could possibly lose 10 percent of its funding due to new measures approved by the President.

Dr. J. Allen Baker also told the board he plans to re-open his medical practice in Belle Glade.

Dr. Allen said his medical practice was closed for a year. He said he was forced to close his office because of his health. "My physician says I am in excellent shape. I miss the Glades and I want to

re-open by practice," he said.

Allen said he was appearing before the board to see if the board would provide him with the same privileges as new doctors, who have recently moved to the area.

Board Chairman David Hill said he saw problem arising as a result of Allen's request.

Lennon also told the board the emergency room construction is ahead of schedule and should be completed in the spring.

In other business before the Board:

•The Board reaffirmed its position on the Critical Care Unit Policies.

•Hear a progress report on the Birthing Center. Lennon said three pediatricians and two obstetricians had joined the Birthing Center staff.

•Hear report on new medical students from Ross University participating in a Clerkship program at the hospital.

Escapees freedom is short-lived

BELLE GLADE — Two

Glades Correctional Institution inmates were

picked up within half

an hour of their at-

tempted escape Thurs-

day, October 21, ac-

cording to a GCI

spokesman.

Jerry Lee Reed, 27, of

Hilliard, Florida, and

John William Amann,

26, of Lake City, al-

legedly left the work

crew they were a part

of at about 11 a.m.

GCI officials,

assisted by officers

from the Glades sub-

station of the Sheriff's

Office, and the Belle

Glade Police Depart-

ment, began their

search for the prisoners

within five minutes of

their escape.

A count was made

about five minutes

prior to the escape at-

tempt.

The two were ap-

prehended by GCI per-

sonnel in a cane field

just west of 441 at

11:30 a.m.

Both men had prior

escape histories.

They made their first

appearance Friday

morning, October 22

before Judge Don T.

Adams, and were

transferred to West

Palm Beach to be held

for trial on the escape

charges.

FHP waiting room complete

PAHOKEE — The long

fought for waiting

room addition to the

Florida Highway

Patrol Building in

PAHOKEE is complete

and ready for use, ac-

cording to PAHOKEE

Mayor Duncan

Padgett had been

working towards get-

ting the addition since

1979.

He said the air condi-

tioned structure will

shield people from the

sun on the west side of

the building while they

wait for their driver's

license to be processed

inside.

Prison labor was used

to construct the

room, which was built

at an estimated cost of

\$25,000.

Padgett said the

state legislature had

appropriated funds for

broadening the addition

earlier, but they had

been spent elsewhere

and the room was

never built.

Earlier this year,

Padgett met Governor

Bob Graham at a lun-

cheon in Belle Glade

and brought up the

subject of the waiting

room.

Construction on the

addition started later

that year.

TV information
on Page 2B.

Water fees to increase

BELLE GLADE — Higher costs to the city and an increasing number of delinquent

payments were cited by city officials and commissioners as reasons for increases in various water service

fees Monday night, October 25, at the city commission meeting.

The commission voted 3-1 Monday to double the water service deposit, currently

at \$20, for three quarter inch lines. Deposits on

other size lines will rise proportionately, ac-

ording to City Finance Director Frank Ander-

son.

A memorandum from Assistant

Finance Director William F. Underwood,

II stated that the average balance due

per delinquent

customers each month

is \$68.39. Customers

who are actually cut off

average a balance due

of \$72.13. He sug-

gested a \$70 deposit to

cover the average

delinquent bills, but

only Commissioner

George L. Goforth, Jr.,

said he favored that the

burden of the increase

be on the customer.

Anderson said he

was unsure if the in-

crease to \$70 would be

necessary. Mayor

Thomas L. Altman also

said he was opposed to

too heavy of an in-

crease to utility hook-

up fees because of the

burden it puts on

potential home

builders. Other increases

approved were a \$10 in-

crease to the hook-up

fee and an increase from

\$75 to \$200 for single-

family taps-in to city

water lines.

Altman said that

with the increases in

fees, it will cost a new

home owner \$865 to

hook in to city utilities.

"I feel for the people

coming in and having

to pay for all these

utility deposits with the

cost of getting into a

house these days," said

Altman. "I personally

feel \$70 (water service

deposit) is too high. I

understand the ration-

al behind it and the

justification for it be-

sides on the numbers. But

with a high deposit,

we'll adversely affect a

lot of people to deal

with some deadbeats.

We give a lot of lip

service to keeping hous-

ing costs down.

Goforth said he

didn't think the in-

creased fees will affect

anyone's decision to

build a house in the

city."

"Most of the people

who are going to build

a house, why, he'd

figure that into the

cost anyhow," said

Goforth. "I don't think

a \$800 tapping fee will

keep someone from

building a \$50,000

house."

Altman was the only

commissioner to vote

against the increased

tapping fee.

Hwy. 717 to close

TALLAHASSEE — Florida Department of

Transportation officials plan to close State Road

717 at Belle Glade Road temporarily next week

for repairs to the Florida East Coast railroad

crossing in Palm Beach County at the PAHOKEE

City limits. The road will be closed Monday, Oc-

tober 26, through Wednesday, October 27, for im-

provements to the railroad crossing.

The suggested detour for westbound traffic is

north on State Market Road (154); west on La-

ramore Road; southwest on Bacon Point Road;

and south on Belle Glade Road.

St. Peters sets Halloween carnival

BELLE GLADE - St. Peter's Lutheran School, 125 E. Canal St. North, will hold a Halloween Carnival this Saturday starting at 5 p.m.

The costume parade will feature children from pre-kindergarten through the sixth grade with competition for prizes in three categories, Most Halloween, Most Original, and Best Movie or T.V. Personality.

An auction will be held at 7:30 p.m. sharp. Many food items will be sold throughout the evening including, chili, hot dogs, hamburgers, sodas, potato chips, candied apples and candy made by Al Van Winkle.

The carnival will be held on the school grounds and the event is open to the public.

Celery changes considered

Proposed changes in committee membership provisions of the federal marketing order for celery grown in Florida will be considered at a public hearing Nov. 1 at Orlando, Fla.

The hearing will start at 9 a.m. in the auditorium of the Florida Fruit and Vegetable Association Building, 4401 East Colonial Dr.

Charles Brader, a marketing official with USDA's Agricultural Marketing Service at Washington, D.C., said the Florida Celery Committee submitted the proposal to be considered.

Charles Brader, a marketing official with USDA's Agricultural Marketing Service at Washington, D.C., said the Florida Celery Committee submitted the proposal to be considered.

Church of God sets revival
PAHOKEE -- The Church of God of Prophecy, 2500 East Main St., will be holding revival services, Sunday, Oct. 31 at 7 p.m. through Nov. 6. Week-day services will begin at 7:30 p.m.

Evangelist for the revival will be Rev. William Stewart from Tampa. Saturday night, Rev. Stewart will be joined by the Singing Harvesters, also from Tampa, of which he is a member. The revival is open to the public.

MONEY/Bring it
Nov. 6 to the Christian Day School Society Festival Rummage Sale at Ben Franklin's from 8-11 p.m.

THE ROYAL COURT. Members of the East Lake Middle School Royal Court are from left to right, Felix Jauregui, Theresa Knight, Michael James, Marachel Knight,

Marcia Banks, Anthony Lendale, and the 1982-81 Mr. and Miss East Lake Delorjes Jauregui and Peter Wright.

Conner campaigns in the Glades

BELLE GLADE-Florida Commissioner of Agriculture Doyle Conner brought his campaign to the Glades Thursday. Conner attended a fund raising barbecue at the Belle Glade Marina sponsored by Frank Teets and Roy Hayes. Conner said his stop in Belle Glade was one of several stops he made around the Lake Okechobee Area Thursday.

"I have visited four courthouses today and plan to visit every court in the state before the Nov. 2 general election," said Conner.

Speaking to a crowd of mostly growers, Conner said he is taking this campaign seriously, although there is a belief by some that he has no real competition.

Conner said he has competition and if the people don't go to the poll and vote for Conner, the

state will have a new Commissioner of Agriculture.

"Last time," he told his supporters, "our friends responded, and we carried every precinct in the state, but all we have to do is sit at home on Nov. 2 and we'll have a new commissioner."

Conner said he operates his department very efficiently and feels if all departments were operated as frugally as his, there would have been no need for cuts.

Already there has been a 2 percent across the board budget cut by the cabinet and there's a possibility of another 3.5 percent cut, according to Conner.

Following the barbecue, Conner attended the Belle Glade Chamber of Commerce Awards banquet.

Registration open for PBJC workshops

BELLE GLADE -- Registration for the following workshops is now open at the registrar's office at Palm Beach Junior College, Glades Campus.

- Nov. 8-Jazzercise ...exercise to music
 - Defensive Driving
 - Nov. 9-Basic In-
- Applicants are asked to register before the date given.
- Nov. 1-Nutrition for Diabetics ... certification for nurses
 - Nov. 1- Conversational English...workshop for non English speaking people
 - Nov. 1-Child Care Workers Certification ...certification for nurses
 - Nov. 6-Basic EKG ...for nurses certification

vestments...How to invest money at this time for best results.

For more information on these workshops, you can call Palm Beach Junior College at 998-3055.

Aloette cosmetic show planned

BELLE GLADE - An Aloette cosmetic show will be held Thursday, Nov. 4 at 5 p.m. at Palm Beach Junior College, Glades Campus.

Marjorie Echols, Aloette beauty consultant, will be giving the

show. She will demonstrate proper skin care and make-up.

A model will demonstrate the products to the group. Phi Theta Kappa, Glades Campus is sponsoring the event to

raise funds for future events. The cosmetic show is open to the public at no charge. A door prize will be given away in a drawing.

Rummage sale set for Saturday

BELLE GLADE - The Glades Alumnae Chapter of Delta Sigma Theta, Inc. will be sponsoring a rummage sale, Saturday, Oct. 30 from 7 a.m. to 2 p.m. at the Food Center Grocery Store, 325 Southwest Ave. B.

Items for sale will include men's, women's and children's clothing items plus many other household items.

In addition, there will also be a Halloween Carnival at the Lake Shore Park starting at 10 a.m.

will also be a Halloween Carnival at the Lake Shore Park starting at 10 a.m.

Belle Glade Womens Club has first meeting of season

BELLE GLADE - The Women's Club of Belle Glade held their first

meeting with a luncheon Oct. 21 at 12:30 p.m. in the Lady Elks room at the Elks Club.

A musical program under the direction of Robin Wagner was rendered by the Girls Choir Group from the Christian Day School. The District Tour of State Officers was held in Stuart, Oct. 25. Members attending were: Mrs. James Chambliss, Mrs. Isadore Nachman, Mrs. Clyde Parrish and Mrs. Arthur Zump.

Gove has play

BELLE GLADE - The fifth grade classes at Gove Elementary will present a play entitled "The Halloween Parade" for the students at Gove Elementary on Thursday, Oct. 28.

BOILER PLATE

We recommend for your consideration

We would like to make several recommendations to voters for the general election Tuesday, Nov. 2.

In the gubernatorial race, we support L. A. "Skip" Bafalis, a long-standing friend of the Glades and agriculture who never forgot this area during his many years in Congress.

Bafalis was one of the first advocates of a balanced federal budget. Many have since accepted his viewpoint that balancing the budget is essential to the economic health of the nation.

The conservative, common-sensical Bafalis believes that less government is best. We agree. For the United States Congress, we support Tom Lewis, who has simply been one of the finest legislators in the state.

Lewis, who was named most effective freshman state senator, has received over 50 awards for legislative achievement.

A conservative, he supports the balanced budget amendment, is strong on defense (he believes there should be some cutback), and strongly supports the Social Security program.

He has the maturity, experience, and intelligence to be an outstanding congressman for Florida.

There are two constitutional amendments on the ballot. We urge voters to vote for both of them:

HJR 43-G Pretrial Release and Detention

A change is needed because of the ease with which drug smugglers are able to raise bail and then drop out of sight.

The proposed change would allow authorities to deny bail to a person if they believed the release would potentially harm the community, harm the integrity of the judicial process, or raise serious doubts about whether the accused would show up at trial.

HJR 31-H Seizures and Searches

This amendment would reduce the number of convictions overturned by technicalities on the search and seizure rule.

The attorney general has said that Florida's excessively strict rules make it more difficult to convict criminals than in other states.

By bringing Florida's understrength search and seizure law up to Federal standards, we will be providing lawmen with the support they need in the battle against crime.

For Hendry County voters only

Hendry County voters will be voting on two local issues Tuesday: a one cent gas tax and the ambulance referendum.

We recommend that voters enact the one cent gas tax and leave the ambulance service under

the authority of the hospital.

The one cent gas tax would generate an estimated \$20,000 a month, or close to a quarter million dollars a year.

Everyone purchasing gasoline in the county would pay the tax, which amounts to a user tax — one of the most equitable means of taxation. The tax would be paid by local resident and visitor alike, money that would not have to come from ad valorem taxes.

Finally, there is the matter of the ambulance service.

Simply put, the referendum asks should the ambulance service remain under the authority of the hospital. We believe it should.

If the ambulance service were removed from under the hospital's umbrella, under whose umbrella would it be placed? And would placing the ambulance service under a new umbrella be an improvement?

We believe that for logistical and professional reasons, the ambulance service should remain where it is at.

These are only our recommendations. We believe that every voter should vote the way his beliefs dictate. The important thing is to vote! Don't let this important election go by without making your choice known at the polls.

The light grows dimmer

Everyone who knew Jennie Toulis was saddened to learn of her death last week.

Almost to the very end, Mrs. Toulis dispensed road directions, friendship and good cheer from Clewiston's Glades Restaurant.

In fact, she had been making friends in the Glades for over 50 years, qualifying her as an authentic pioneer of this area.

Jennie Toulis had a special sparkle, a zest for life that the rest of the Toulis clan seems to have inherited from her.

In her 78 years, she had a full and happy life, made many friends, and a lasting impression on all of us.

We send along our condolences to the Toulis family. Her passing takes with it a little sunshine from our lives.

James Jacks, outgoing Belle Glade Chamber of Commerce president, made some comments Thursday well worth repeating here.

Jacks expressed his concern over the health of the Glades area.

He urged that Glades communities band together to form a voting block on common issues, such as the improvement of State Road 80.

Despite all that has been written and said, nothing essentially has been done to make SR 80 safe. The road is even more dangerous in rainy weather. Rain pools in depressions in the road and the unsuspecting driver can quickly find himself in the wrong lane or off the road altogether when he hits one of these ponds.

Even in dry weather, the heavily traveled road is dangerous.

Jacks urged that Glades residents spend their money at home, rather than on the coast. Many Glades businesses are hurting now. This has been a tough year for almost everyone, with the possible exception of bill collectors. Supporting your local business helps to make life better here for everyone.

Jacks also urged citizens to get involved in their community. It seems there are always a few who end up doing almost everything and many who do nothing. There is plenty of work for everyone. Find yourself a cause and get involved.

Edwards resignation marks end of era

The resignation of Superintendent James Edwards marks the end of an era for Hendry County schools.

Edwards was a strong leader who had strong opinions on most things educational. He was controversial. He made enemies and friends. This is only to be expected when someone takes the activist course that Edwards set for himself.

The fact is that the voters of Hendry County elected Edwards to be their superintendent and then returned him to office two years ago without opposition.

It's important that someone be in charge of the school system on a day-to-day basis and that man was Edwards. No one ever had any doubt that he was.

Looking back on his time in office, several holidays are apparent. He never ducked an issue or a fight.

It might have been easier to have let Florida Rural Legal Services have its say with the exceptional child discipline case, but Edwards took it all the way to the U.S. Supreme Court.

He believed as most local residents do that children who misbehave, regardless of IQ or learning ability, should be disciplined.

As a result Hendry students' faculty could feel safe on campus. There was no need for police in the hallways.

He also believed in the importance of the return to the basics of learning and held office at a time that children's test scores improved.

He sought to improve school facilities and did

so without asking for a bond issue during his tenure. Clewiston High School was modernized from the inside out.

Edwards tried to balance the needs for a well-paid faculty with the district's ability to pay. Rather, protracted negotiations between bargainers for the school board and teachers followed before an agreement was reached.

This seems to be the prime challenge of the future, attracting and retaining bright, dedicated faculty members. Adequate pay is one of the main ingredients in a happy faculty.

As a teacher, principal, and superintendent, Jim Edwards served the district with imagination, courage, and conviction. His departure is a loss to the community and we wish him well in the future.

Your turn, we get letters

Editor: In response to the letter which appeared in the October 21st edition of your paper regarding Senator Tom Lewis' congressional opponent, I offer the following personal reaction.

Having lived in the Glades all my life, I am aware of political figures who, have in the past, only remember us during November elections.

Throughout Senator Tom Lewis' ten year career as a member of the State Legislature, the Glades constituency has always enjoyed the ability to communicate freely and openly with him and his staff. Not only have we always found Senator Lewis' door open, but the representation that he has given our community is obvious. I remember the support he has given to the new alignment of State Road 80, Palm Beach Junior College Glades Campus, Improved H.R.S. Facilities, our share of funding for Law, Enforcement, Education, and the Farming Industry and most of all I remember the young people in our community that he has taken to Tallahassee to experience the inner workings of our Government first hand.

My reaction is not an indictment of Senator Lewis' opponent, but rather support of proven performance to the area in which we all live.

David Goodlett

To the Editor and Voters of Hendry County:

Again this election year the voters of Hendry County are charged with the disposition of our Ambulance Service. The citizens have a right to know how and where their tax dollars are spent. Have you attended a County Commissioners Meeting or the Hospital Authority Meeting to obtain this information? Probably not very few of us have time to be bothered.

We get around the task by having the above mentioned groups to work for us.

With the inception of the county ambulance service, a firm decision was made: WE WANT THE AMBULANCE SERVICE BASED AT HENDRY GENERAL HOSPITAL. A YES vote November 2 is needed to reaffirm this position.

A few of the reasons for the firm YES vote

1. If our County Commissioners thought the administration of the service inadequate, all that would have been necessary to remove the service from hospital administration was a letter of intent and within six (6) months the service would have been out.

The County Commissioners have NOT deemed this action necessary.

2. Ask any County Commissioner to verify this. They have received a letter signed by EVERY MEMBER

OF THE AMBULANCE SERVICE which states they WISH TO REMAIN AT HENDRY GENERAL HOSPITAL. Shouldn't we honor the wishes of those working to serve us?

3. Hendry General Hospital has never suggested it is a major teaching institute, but just having the ambulance service staff within the hospital walls gives an opportunity for learning and some incentive to further one's abilities.

4. Decisions about your health care can best be made by more than one person. The same holds true with the annual budget.

5. Mass purchasing power through the hospital is less expensive than purchasing for three or four vehicles.

6. "Outside administration can only cost MORE TAX DOLLARS.

Not wishing to monopolize editorial space, please continue our ambulance service on FIRM ground VOTE YES - "Shall the Ambulance Service remain under the control of the Hendry County Hospital Authority?" YES YES Respectfully,

W. Harold Reecer

To the Editor: Next Tuesday we will go to the polls once again to elect our fifth and final school board member. Having been an educator in Hendry County for the past

twelve years and presently the number of two children in the Hendry County school system, this election is important to me and I would like to hear each of the citizens of Hendry County.

Our present school board, newly elected members included, does not consist of a single person with experience in the field of education. Who better knows the needs of our school personnel and give a student than someone who has been in the schools.

As a former candidate for the school board, I spent many hours with the other candidates at various meetings and rallies. I had the opportunity which many of you did not have to hear each candidate speak and to get to know them personally. I feel that Teresa Goodall is the person that we need to fill that fifth position on the board. As I stated previously, I have had many occasions to hear her speak and to talk with her. I have a great deal of respect and admiration for her. I know that she is very concerned about education in this county and has proven it many times through voluntary service to the schools; but perhaps her greatest asset to the board would be the experience that she has in both business and education.

I know that she would be a fine addition to the school board members who would carefully research and weigh

each issue before making a decision.

In this election, democrats will have the opportunity to vote for both Democratic and Republican candidates. Let's look closely at the qualifications of each candidate and vote for the person and not necessarily the party. Our children are the future of Hendry County. I feel that this election will determine the education in Hendry County for the next four years.

Sincerely,

Cathy Metz

AILS A
DEWING
AND WHAT NOT

Grocers obviously think people come ten to a package. They don't believe in selling to singles. I've seen clearly as two if one can eat as much as four, by supermarkets' reckoning.

I never saw a prewashed package of hamburger yet that wouldn't serve a family of six following a five-day fast, with leftovers for the next meal. After the next fast.

"Buy it and freeze it," somebody always chimes in.

But whenever I look in my freezer I think about having a yard sale. I've got too many frozen leftover leftovers in there now from buying prepackaged specials that weighed in at more than the bag boy!

Buying by the can is no solution, given my frugal bloodline. I can't settle for a small can that costs two-thirds as much as a big one, even if it does mean eating beans with my Wheaties for a week.

Supply-side packaging is stacked against the family of one, there's no doubt about it. It could lead me into a career of sneaking into covered dish suppers just to get rid of a casserole of creamed unidentified leftovers. And then sneaking out again before I got caught.

But oversufficiency isn't the only problem for

All of us are especially concerned about Halloween this year, with the number of crazies loose in the world.

Why not consider:

1. Keeping your kids home this year for a Halloween party.
2. Taking your kids out for pizza or some other treat that kids really enjoy.
3. If your kids do go out, escort them around your neighborhood only and then bring them home.

Letters Policy

We solicit and encourage letters to the editor.

Our guidelines are simple:

- No libelous content.
- Letters should be relatively brief — no more than 300 words as a general rule.
- Signatures are required.
- No poetry, please.

Time is ripe for rent-a-lettuce

the small economy soul in a world of large economy packages. We also suffer diet deficiencies because some fully-assembled foods are too big to begin with.

Take lettuce, for example. We singles never do unless we've got a yen to start eating it the minute we get it home and not put it down 'til it's finished. Lettuce begins its wiltdown the moment it's paid for. The alternative is to develop a taste for wilted leaves with a slimy brown dressing.

There is another alternative, if the greengrocers will go along with my campaign: rent-a-lettuce. After three days of salad, or at the first twich of the ears, a single would be able to return the unused portion of a head of lettuce. There would be a per diem charge plus, of course, a deposit for damages, and a clause that no detached leaves could be returned.

If my proposal takes hold, I will launch another crusade for the two-banana bunch, the half-half box of mushrooms, the semi-stalk of celery, and the two tomatoes to a tray.

It's time we single shoppers united. We have nothing to lose but our large economy size, for the price of one, buy one and get one free, leftovers.

Letters

(Continued from Page 4)
the for the next four years these same apathetic people complain about the handling of county affairs. I wonder what it will take to shake these "stay at homes" from their lethargy and apathy.

Sincerely,
Raynell Davis

Editor:
I was shocked and then upon reflection perplexed after having read a letter to the editor concerning the upcoming election for the new Twelfth Congressional District.

It isn't easy for me to criticize anyone's political actions, for it is political inaction that does the most damage. I'm convinced that if every American took the time to stay informed, and then made his choices known to his Representative, this country wouldn't be in the financial mess it is in today.

First of all, like many freshmen Congressmen, we must bury the banner of par-

ty politics in favor of trying to come to terms with the problems before us.

But, most important of all, if this country is to escape the Catch-22 of hyperinflation on one side and depression on the other, we must do what is best for this country, not one particular industry or area.

Each Congressman needs to be told that the health of the country comes before the desires of any special group or district. This point is the main theme of the book "The Time for Truth," written by ex-Secretary of the Treasury William E. Simon. He states over and over again that we cannot convince our Representatives how important it is that we control our national budget while we have our hands open behind our backs.

What kind of message will we send the Congress will be determined by who we elect in the new Twelfth Congressional District.

Shall we send a man who will stand for free enterprise and fiscal responsibility, who will

support an amendment to balance the budget, and who will advocate strong national postures on defense, foreign policy and illegal immigration?

Or shall we send a man who believes it's business as usual, whose experience was gained on the staffs of demagogues who have led this nation down to a \$1 trillion debt?

What kind of message do we want to send?

I think it is perfectly clear.

Let's send a man whose record has been proven while serving in Tallahassee.

Let's send Tom Lewis to Washington.

Sincerely,
Rick Roth

CDS' 5-2 record is best in history

BELLE GLADE - For the first time in the school's history, the Christian Day Crusaders will finish the gridiron season with a winning record.

Their 5-0 defeat of Boca Academy in double overtime Saturday afternoon pushed their record to 5-2, with only two more games left on their schedule.

Never before had the Crusaders finished with a winning record, but Saturday's victory assures them of finishing with a record no worse than 5-4.

"The kids are real excited about it," said Coach James Jacks, who had predicted before the season that the team would go 7-2. "I feel like we can. I feel like we have a real good chance of winning these last two. We're all real pleased and excited about our record so far, and we all want to go out and win. The team has a winning attitude."

The team's biggest drawback may be its injured list, which consists of some of the team's most vital players. All three quarterbacks are injured.

Alex Morales, who appeared in Saturday's game, is still suffering from a pulled hamstring. Saturday, he threw from the shotgun after David Chamblisse, the second string quarterback, was removed due to a hip joint injury.

Pipo Peez played at quarterback most of last season, but he has a sprained ankle.

James Barnwell, who Jacks called "the mainstay of our defense," played all day Saturday with a sprained ankle. Still, he kicked six punts for a 92.7 yards average and made four unassisted tackles.

Rodney Brown recently returned from a bruised knee injury, but Cary McKee injured his knee and is rehabilitating.

Fortunately, the Crusaders are off this week, giving a chance for injuries to heal before traveling to South Dade Christian.

"Hopefully, everybody will be healthy," said Jacks. "This couldn't have come up at a better time. Right now, we have five guys that are hurt."

When the wounded Crusaders took the field Saturday, they had just enough stamina to fight their way to a late victory over Boca Academy in the second overtime.

For four quarters the score remained 0-0. The Crusaders drove to within scoring distance of the goal line twice in the first period, but were turned away on incomplete passes and fumbles.

In the second quarter, Tiger Buck could have put the game away for Boca, but his touchdown

was called back because of a clipping penalty. When the last period ended, the score was tied 0-0, so the teams went into overtime.

A steady rain which started falling in the first quarter continued throughout the two overtime periods. In the second overtime, the Crusaders took possession at the ten.

Morales threw an incomplete pass to Robert Echols on the first down.

Philip Echols ran the ball up the middle for six yards on the next play.

On third down, Philip Echols again carried the ball, this time over the right tackle for a touchdown.

Philip Echols carried the ball around the left side from the three yard line for the two point conversion.

Boca's attempt to tie the game ended when Buck threw an interception into the arms of Robert Echols to end the game.

Boca controlled the ground attack throughout the game. It picked up 115 yards in 50 carries and nine first downs versus 49 yards rushing in 30 carries and only five first downs for the Crusaders.

Individually, Philip Echols fared better than his team on the ground, picking up 72 yards in 23

carries. Barnwell also gained yards, picking up nine yards in three carries. Mito Vigon gained two yards on carry.

Morales, playing on a sore leg, lost 26 yards in one carry, and Robert Echols lost five on his only carry.

Pipo Peez, the only other ball carrier, lost three yards in his only carry.

Boca completed only three of ten passes for 28 yards. Boca also lost the ball in three interceptions.

The Crusaders completed four passes in 21 attempts for 52 yards, and lost only one interception.

David Chamblisse threw three incomplete passes, and Morales completed four of 18 attempts for 52 yards and threw one interception.

The Crusaders lost both of their fumbles and were penalized six times for 50 yards.

Boca was penalized four times for 30 yards and lost one of three fumbles. Boca's six punts averaged 24.5 yards.

"Boca is a real good ball club," said Jacks. "They gained more yards than us on the ground, but we stopped their passing. That's what they're known for. We still got an excellent defense."

Gators whip John Carroll, prepare for rival Benjamin

By JEFF BROWN

BELLE GLADE - The Glades Day School Gators could wrap up the Class A District seven title this weekend. Or their opponents, the Benjamin Buccaneers, could wrap it up.

If King's Academy defeats Moore Haven and the Gators down the Bucs, the Gators are going to post-season.

Benjamin and Glades Day are rivals almost every year for the district seven crown, and this year isn't an exception.

Both teams are 1-0 in the district. Glades, having beaten King's Academy two weeks ago and Benjamin having defeated Moore Haven.

The district could very well be wrapped up at the Gators home field tomorrow evening when the two square off against each other.

"We'll be working harder on our pass defense this week," said Gator Coach Byron Walker. "We'll invite Benjamin to run the ball in the middle, and if they're good enough to run it up our gut, then I'm gonna shake their hands, cause they're better team."

"I used to get all worked up about the Benjamin game," he said. "Same way with King's when we first started playing them. Now, it's just one more game. It's just another step in the ladder. The kids will be up and we'll be ready to play, this is the tiebreaker. We're both tied at one and oh. We could conceivably win it all Friday night."

Just another step in the ladder. The Gators took another, although smaller, step in the ladder to a successful season last Friday, October 22, when they defeated the John Carroll Rams 26-13.

The game was more lopsided than the score made it appear.

Quarterback Raul Garcia ran the ball in from the eight yard line early in the first quarter, and Mike Schlechter hit the extra point.

But the Rams immediately came back with a 34 yard touchdown pass from Jody Russakia to Mo Casey. Frank Strazzulla tied the game up with his extra point kick.

The first quarter ended in a 7-7 tie. The second quarter saw the Gators put the game away with 19 points.

Davy Haynes moved the ball across the goal line from the three yard line, and Schlechter's kick failed. He made up for it moments later when he put the ball through the uprights from 25 yards out, making the score 16-7.

Haynes caught a 27 yard pass from Garcia to push the score to 22-7, and Schlechter hit the extra point to increase the lead to 16 points.

Before the end of the half, Schlechter increased his total points to eight when he hit a 28 yard field goal.

"He kicked the ball real well," said Walker. "I don't hesitate to send him out there. I think that we have a better than 50-50 chance of getting it (the extra-point or field goal)."

John Carroll scored six in the third to complete the scoring in the game. Allen Goodwin caught an eight yard pass from Russakia for the TD, but the kick failed.

In the last minute of the game, John Carroll found itself in a position to win the game with a little luck, but the Gators made a goal-line stance that preserved the victory and the 26-13 score.

The ball was six inches from the goal line. A touchdown and extra point could have set up an on-side kick, but the Gators' defense held the Rams.

"Nobody's been able to sustain a long drive on us," said Walker of his defense's performance so far this year. "Overall, I'm pleased."

With the game on the verge of becoming a laughing in the second half, Walker substituted some of the first string players to give the second string some work. Garcia did not play the entire second half.

"I wasn't particularly pleased with our offensive or defensive performance," said Walker of the second half. "They were a lot of guys who haven't seen a lot of playing time, but you always want to see them do well. We weren't emotionally up for the game. John Carroll was 0-5. Maybe if they were 5-0 it would have been different, but we came out of it in pretty good shape."

The Gators are now 4-2.

The Benjamin Buccaneers and Glades Day Gators game starts at 8 p.m. at Glades Day School Friday, October 29.

THE GATORS beat John Carroll last week and are preparing for Benjamin tomorrow night. The winner will probably take the District 7A crown.

E.F.E. beats Sugar

BELLE GLADE - Everglades Farm Equipment broke a 4-4 tie with a run in the fifth and two in the sixth innings to beat Glades Sugar 7-4 last week.

Glades Sugar got on the scoreboard first with a run in the bottom of the first.

Dwayne Doney scored from first on a single by Mike Frazier.

The score remained 1-0 into the third inning when Glades Sugar added three more runs to its total for a 4-0 lead.

Mike Hadden walked to lead off the inning and a walk to Doney two batters later loaded the bases. Mike Frazier doubled in Hadden and Doney, but Mike got caught in a double play. Frazier scored on a single by Kiko Ruiz.

That completed the scoring for Glades Sugar, but E.F.E. had just begun.

Four runs in the top of the fourth tied the game. E. Wingate's one out single started a rally which saw him, T. Yancey, Cunningham and R. Alphonso score.

In the top of the fifth, E.F.E. went ahead two to one. R. Doney walked and Ken Coghill advanced him with a single. Mayon McMullen singled Davis in to give E.F.E. a 4-4 lead.

In the sixth inning, E.F.E. added two insurance runs. Wingate and D. Bain hit back-to-back singles to lead off the inning and T. Yancey drove them in with a sacrifice.

Mace Sod and Angler's Marina are in first place in the winter softball league with 3-1 records. Mace Sod had defeated E.F.E. 7-5 and edged Gold Coast Chemicals 12-11. Mace

PHS upsets Boca

PAHOKEE - Coming off a two-week losing streak, the tough Pahokee High School Blue Devils, an underdog to Class AAAA power Boca Raton, scored the test Friday to hand the Bobcats a stunning defeat.

Playing before University of Florida coach Charley Pell, who came down to the field to congratulate Sandy Hyneman following the game, the Devils defeated Boca Raton 7-0.

Pahokee took the opening kickoff and drove 80 yards for the game's only score, which culminated with Jeff Mullins plunging 2 yards over right tackle with 6:10 remaining in the first quarter.

Leading up to the score, the Devils was faced with a fourth and five situation at midfield. Coach Hyneman gambled, and won.

The Devils were in punt formation and threw a screen. Hyneman said the play was "instrumental in keeping the drive alive."

The pass went from punter Wilbur Ramon to standout tight end Walter Johnson. The 6-foot-3, 225 senior caught the pass and raced to the Boca 20 yard line.

Four plays later Mullins went in for the score.

Eddie McDaniels added the conversion kick and Pahokee had unknowingly scored the only points it needed for the win.

Pahokee used a variety of play in

the scoring drive, mixing up reverses and halfback option plays with the pinpoint passing of quarterback Antonio Wilson. Wilson completed 11 passes in 22 attempts for 94 yards.

Walter Johnson had seven receptions for 86 yards, and played his best all-around game, according to Hyneman.

Hyneman said the team practiced some new plays all week and really mixed them up real well, especially well in the first half.

After the initial drive, the Blue Devils had two or three other chances to put points on the board, but were stopped by the Boca Raton defense, which before a loss to Fort Pierce Central two weeks ago had not allowed a single point to be scored on them.

Boca, playing as if either it was lost, or facing a prepared Pahokee defense, never got anything going offensively. Quarterback Derrick Crudup, one of the area's leading passers, only completed five passes for 66 yards and the Boca ground game could only pick up 89 yards against the stingy Pahokee defense.

Three fumbles, all recovered by the Devils, hurt the Bobcats.

The Pahokee High School will play at home Friday night against Immokalee. The game is the Devils' homecoming game.

Pro 'reluctantly' verifies hole-in-one

BELLE GLADE - Mike Underwood, the city recreation director, apparently became the latest person to hit a hole-in-one at the city golf course last weekend.

John Wright, the golf professional at the course, reluctantly verified that Underwood hit the hole-in-one on the twelfth hole Sunday, October 24.

which is an extremely short par three," said Wright. "And he hit a nine from it. It's almost a chip in."

"It's the only green I hit all day," said Underwood.

Smith leads Raiders to win

LAKE WORTH - The Glades Central Raiders won their fifth game in six starts in a game against John I. Leonard Friday night.

Quarterback Eric Smith threw for one touchdown and ran for another to lead the Raiders to a 24-0 victory over the Lancers.

Glades Central, an honorable mention selected in the state's Class AAA poll, completely dominated the game, outgaining Leonard 298-100 total yardage, and never letting John I. Leonard come close to scoring.

As a result of the Raiders outstanding performance Clifford Lee, was named the Unsung Hero

of the Week. Lee, who rewrote the record book at Lake Shore Middle School, showed his prowess Friday at Leonard. He recorded two quarterback sacks, intercepted one pass, which he returned for 60 yards for a touchdown, and anchored the air-tight Raider defense.

Eric Smith completed 6 of 14 passes for 128 yards and a 22 yard touchdown to John Ford to give the Raiders a 6-0 lead and then scored from 9 yards out as the Raiders handed the Lancers their fifth loss in six games.

Randy Rutledge had a good night. He rushed

HOMECOMING

Glades Central High School

BELLE GLADE—Three Glades Central Community School seniors will vie for the title of Miss Glades Central Community School Tuesday night at the annual Coronation.

Competing for the honor are Yvonne Marie Cushnie, Kerria LaTerral Hicks and Winnifred McCarthy. Miss Cushnie, the daughter of Mr. Edward Cushnie resides at 646 S.W. Third St. Belle Glade, 18, the daughter of Mrs. Ola Mae Barron, resides at 110 S.W. 5th St., South Bay.

Candidate Winnifred McCarthy, the daughter of Isaiah and Veronica McCarthy, lives at 420 Jimmie Lou Ct. in South Bay.

The Coronation is open to the public.

Pahokee High

PAHOKEE—The Pahokee High School Blue Devils will celebrate Homecoming Friday night when the Devils go up against Immokalee at 8 p.m. at Lair Field.

The Homecoming activities officially got underway with the crowning of Miss Pahokee High School at the Coronation held Wednesday night. Five young ladies competed for the honor. They were Cheryl Price, Gwen Hamilton, Brenda Cunningham, Janice Williams and Cassandra Dukes.

Competing for the title of Miss Homecoming were Shirl Grant, Linda Epps and Elada Mullins. Ms. Tracey Harrell, Student Council said throughout the week a number of activities are planned including Spirit day, Hobo Day, Class Color Day, a Bon Fire, Anything Goes, Punk Rock-Lovers Day, and the grand finale, the parade.

The parade will get underway at 3 p.m. on Friday. All entries are asked to start lining up at 2:30 p.m., on Larrimore Road. Miss Harrell said the parade will move down its traditional route.

A bon fire will be held Thursday night on the football stadium following the junior variety foot ball game.

Homecoming

BELLE GLADE—The Glades Central Community High School Student Council under the direction of Mr. James Allen, Jr., sponsor, has made plans for their Homecoming Activities which is the week of Nov. 1 through 5.

FSES to host meeting

BELLE GLADE - The Florida State Employment Service will host a meeting for community agricultural employers and farm labor contractors Wednesday, November 3, from 7 p.m. to 10 p.m.

Speakers will include representatives from the Internal Revenue Service, United States Department of Labor, Unemployment Compensation Claims and Tax divisions, and local Florida State Employment Service Staff.

The meeting will be held at the office of the Florida State Employment Service at 1500 Northwest Avenue L in Belle Glade. For further information, contact George House at 996-3067.

Community Theatre meeting Nov. 3

BELLE GLADE - also to educate, but people with experience are, of course, welcome. The group is in its 3rd season and has already successfully presented such plays as *Truitt* by Bernard Slade and *The Prisoner of Second Avenue* by Neil Simon.

For more information call Dr. Barry Russell at Palm Beach Junior College Glades Campus, 996-3055.

The play to be presented will be "The Mousetrap" written by the first lady of mystery, Agatha Christie, author of other famous works such as "Murder on the Orient Express" and "Witness for the Prosecution."

The late Agatha Christie also gave life to the infallible Belgian detective, Hercule Poirot.

The meeting on November 3rd is open to interested, dedicated painters, make-up artists, costume designers, carpenters, sound persons, light persons, seamstresses, and actors and actresses. No experience is necessary since the purpose of the group is

Child care services offered

BELLE GLADE - A child services program is being offered at Gove Elementary for school age children from 7 a.m. to 9 a.m. and 3 p.m. to 6 p.m. for working parents.

For further information call Joe Perry at 996-4985 or 996-7903 or Bertha Wilson at 996-5961.

Gove Elementary is also offering fruit trees and other plants for sale in the Exceptional Child Education Center at Gove.

Three big reasons you can't afford to not buy a new Deutz-Fahr tractor...

DX series... \$4 to 140 pto hp. 07 series... \$43 to 720 pto hp.

No interest 'til June '83!*
Or 12% for up to 48 months!*
Or up to \$5,000 cash savings!*

Excellent financing - first big reason you can't afford to not buy a new Deutz-Fahr right now. Three great options - choose the one that fits your cash-flow and tax situation best! Cash savings offered on 10 models, 63-140 pto hp (each 2- or 4-wheel drive): D 6207 (43 hp) and D 6207 (51 hp) - \$1,000; D 6207 (60 hp) - \$1,500; D 6807 (68 hp) and new D 7807 (73 hp) - \$2,000; DX 90 (94 hp) - \$2,800; DX 120 (110 hp) and DX 130 (120 hp) - \$4,000; DX 140 (130 hp) and DX 160 (140 hp) - \$5,000. Cash or interest waived! Or low 12% rate! Our financing has never been better - may never be this good again! (Scheduled to expire Sept. 24, 1982.)

2 Big savings that help the tractor pay for itself!

Fuel savings of hundreds, up to thousands, of dollars per year! Another big reason to buy now! Find out from your dealer exactly how much you can save. (And check the additional savings of our exceptionally low repair and maintenance costs and big resale value!)

3 A good dealer who'll make a last-of-its-kind deal and stand behind you!

See your Deutz-Fahr dealer now for all the details... and be sure to ask for a demonstration on your farm!

Rev. Adams has been the pastor of the St. John's First Baptist Church at 800 S.W. Eighth St. in Belle Glade for the past 32 years. During the summer months, he teaches at the Florida Seminary, Inc. in Lakeland. He taught at the seminary for 35 years before becoming the president, an office he held for the past three years.

Rev. Adams is an honorary member of Alpha Omega and a member of the Belle Glade Ministerial Association. He serves on the boards of the Glades Area Association of Retarded Citizens, Wee Care, Inc. and the United College Development Board in Atlanta. He is a moderator of the Greater South Florida Baptist Association and chairman of the board of the Florida Progressive Baptist Convention and chairman of the Educational Board of the National Baptist Convention of America.

Harvin elected association president

Remar M. Harvin, the Belle Glade Director of Planning and Community Development, was elected President of the Florida Community Development Association (FCDA) at the Association Sixth Annual Conference, held in St. Petersburg, October 22.

Private completes basic

Army Pvt. Jimmie L. McFadden, son of Rosa R. McFadden of 769 McClure Road, Pahokee, Fla. has completed basic training at Fort Leonard Wood, Mo.

Homecoming

Carmen Hernandez, Twyler McDonald, and Michelle Spencer. The Junior class representatives are Lois Anderson, Mitise Henry, and Margaret McBride. The senior candidates seeking to become Miss Glades Central are Yvonne Marie Cushnie, Kerrika LaTerral Hicks and Winifred McCarthy.

Parade

The homecoming parade is scheduled for 3 p.m. on Friday, Nov. 5. Community groups who wish to enter a float or other type of entry in the

FCDA and Palm Beach County Housing and Community Development Coalition (H&CD).

H&CD consists of six housing authorities and five community development agencies, all located in Palm Beach County, while there are over two hundred member agencies in FCDA spread across the state.

"This has to rank among my greatest achievements," stated Harvin. "To be elected to the top position in

the County Housing Organization at the beginning of the year and the State at the end of the same year, has to be the greatest honor one's peers could bestow."

For the past five years, the FCDA has been highlighted by an Annual Conference held in a member's jurisdiction. These meetings serve to bring together community development and other administrators from the local level and from all levels of the pro-

gram for both technical training, professional development training, and general discussion on housing, economic and community development related policies, programs, and ideas.

It was reported that next year's conference will be held in the City of Miami.

REMAR HARVIN

Youth to vie for title

BELLE GLADE - A local 16 year old youth will be vying for the World Karate Association Flyweight Championship in West Palm Beach Saturday, November 6, when he faces the current holder of the title.

Anthony Williams of 924 SW Avenue C Place, will be fighting Chris Anderson for the second time in his amateur kickboxing career. Earlier this year, Williams went two rounds against Anderson before losing the fight.

The five-round bout will be part of a televised card featuring the title defense of John Manay, who knocked out West Palm Beach resident Steve Shepherd for the midweight title earlier this year. Shepherd will be attempting to regain the title.

Glenn Lettingham, Williams' manager and one of his two trainers, said Williams' previous loss to Anderson was due to lack of speed

and defense. "Speed, power and defense. That's what we're working on now," he said. "This time, we're looking to knock Chris (Anderson) out."

The card starts at 8 p.m. at West Palm Beach auditorium. An exhibition by Bill "Superfoot" Wallace will be included in the show. Wallace, a former champion himself, recently worked with Chuck Norris in a movie called "A Force of One."

Crime Watch aids in arrest

BELLE GLADE - A Crime Watch Call Wednesday evening, October 20, resulted in the arrest of a Belle Glade man on narcotics charges.

Linval Corinthian, also known as Linval Thomas, 26, was arrested at the corner of SW Fifth Street and SW Avenue B for possession of marijuana with intent to sell at about 5:35 p.m. because of the tip from an unidentified Crime Watch member.

Patrolman L.D. Greive made the arrest. Several plastic bags of marijuana were allegedly found in Corinthian's possession at the time of his arrest.

Crime Watch is a non-profit corporation founded in Belle Glade earlier this year. It is composed of a group of citizens banded together to help reduce the crime rate.

This is the second arrest as a result of the local Crime Watch program.

Golf course open now Tuesdays

BELLE GLADE - According to Golf Professional John Wright, the city golf course will be open on Tuesdays through the month of April, when it will close on Thursdays for the summer.

Raiders

for 92 yards in 15 carries and scored a 55 yard touchdown run in the fourth quarter.

Leonard only had 7 yards passing as Mark Quimoy completed just 1 of 5 passes. Craig Swaback had a good night for the Lancers, rushing 20 times for 113 yards.

In the third quarter, Leonard turned the ball over on downs and Rutledge scampered 55 yards to make it 12-0. The Raiders failed the PAT kick. The Raiders scored 12 points in the fourth

quarter. After the Lancers muffed a punt, Smith bootlegged it into the end zone from 9 yards to make it 15-0 and Lee's interception return closed out the scoring.

The Raiders will face the Suncoast Chargers Friday night at the Chargers' field in Riviera.

Game time is 8 p.m. The Raiders will return home on Nov. 5 to face Fort Pierce Westwood in the homecoming game.

Softball

(Continued From Page 6)

Sod had also beaten American Legion 19-5. Angler's Marina had beaten Mace Sod 14-7 and E.F.E. 4-3 and Glades Sugar 10-9.

Gold Coast Chemical handed Angler's its only defeat of the season 7-6.

In its only two other games of the season, Gold Coast lost 4-3 to Glades Sugar and beat

American Legion 16-5 in five innings.

E.F.E. has a 2-2 record, having beaten American Legion 9-0 for its first victory prior to dawning Glades Sugar.

Glades Sugar crushed American Legion 11-0 to extend its record to 22-2. American Legion is winless.

Schedule of Line-up

Community Entry	1:30 p.m.-2 p.m.
Marching Units and other schools	2
p.m.-2:15	
GCHC Units	2:15 p.m.-2:30
GCHC Marching Units	2:30-2:45

Parade Route

The parade will line up on 4th Street in front of Glades Central High School Gym. The parade will proceed to Canal Street and turn right.

It will proceed down Canal Street to Fifth Street Bridge. Turn left across Fifth Street Bridge.

Proceed down Fifth Street to Ave. E. Turn left on Ave. E and proceed down Ave. E to Main St. Turn left on Main Street and proceed down Main Street to West Canal St. Left on West Canal Street to Fourth Street, then place of original line-up.

Irvin Zumpf wins Agri-Industrial Award...

Abby Zumpf named Citizen of the Year

Fighting creeping tension

W. C. Newberry, w
universally profes
from Gonzalez, Texa
who served as gues
speaker for Thursday
night's Belle Glade
Chamber of Commerce
banquet, mixed coun
try humor with a dead
ly serious look at the
world today.

Newberry discussed
"Creeping Tension" and
invited anyone
totally without tension
to get up and leave the
banquet "because
you're dead."

"Creeping tension
robs you and if of many
happy moments that are
rightfully ours," he
said.

"More often than
not, creeping tension is
caused by little bit
things. The sound of
"uh-oh" can scare the
living fire out of you.
Supposes you are in the
dentist chair and you
hear him say uh-oh.
You know it's an \$800
uh-oh," he said.

"Soap operas can
cure creeping tension,"
he said. "You watch
those things and you
begin to feel great.
There is no way a nor
mal human being can
screw up his life like
that."

[Continued on Page 4]

MRS. ABBY ZUMPF is Belle Glade's Citizen of the Year. Presenting all awards Thursday night, Oct. 21, at the Belle Glade Chamber of Commerce Banquet was out-going Pres. James Jack (right).

By JIM JONES

A thoroughly surprised Abby Zumpf was honored as Citizen of the Year Thursday, Oct. 21, by the Belle Glade Chamber of Commerce, while her husband, Irvin, received the Agri-Industrial Award.

The awards were the highlight of the Chamber of Commerce Annual Banquet and Awards Night, held at the Elks Club.

"We were absolutely floored. I was so surprised, I didn't know what to do," said Mrs. Zumpf afterwards of the award.

Mrs. Zumpf was honored for her role in bringing Glades General Hospital to Belle Glade and for her other civic contributions.

Coming to Belle Glade in the middle 1940s, she went to work as a nurse for Dr. William J. Buck, and worked hard to gain accreditation for the old Belle Glade Hospital.

She sought to create a new consolidated hospital which would serve both Belle Glade and Pahokee, but the communities opted for separate hospitals. She then directed her energies towards building a new hospital in Belle Glade, floating a bond issue and serving on the seven member Southwestern Palm Beach County Hospital Board for 13 years. During those years she served as chairman and as vice chairman.

She was the only woman on the board and worked closely with the architect in developing traffic and working patterns. She selected furniture and colors for the hospital. A contest was held to find a name for the new hospital, and Glades General was selected.

Groundbreaking for the hospital was held in 1954. After the hospital was completed, Mrs. Zumpf served the hospital on the Joint Service Committee and other posts. During the 1940s, she became active in the American Red Cross, serving as a director and serving military families.

For the past 24 years, she has been active with the Cardio Vascular Screening Unit, formerly called the Heart Clinic. The unit provides free screening.

She retired from Glades General Hospital in 1971, but has been active with the Women's Auxiliary.

She is a member of Everglades Presbyterian Church and the Chosen Garden Club.

Mrs. Zumpf was born in 1911 in Plentywood, Montana, which is a town known for its lack of

IRVIN ZUMPF (right) received the Agri-Industrial Award.

trees and cold winters - it is 12 miles from the Canadian border.

She moved to Minot, North Dakota, in 1931 and took nurses and laboratory training. Later, she taught nurses at Trinity Hospital.

It was at Trinity that she met her future husband, Irvin Zumpf. Zumpf had been plowing a field with a team of horses when something spooked them, breaking his leg. Unknown to Zumpf by that time her new patient was the brother of her roommate, also a nurse.

Irvin Zumpf was to spend his entire life working in agriculture. His earliest memory of farming was in 1915 when at the age of four he lost a finger in a cream separator.

He came to the Glades in 1936 and worked for Fritz Stein, Sr.

In 1941, Irvin and Abby were married and he entered the United States Army, training tank crews at Ft. Knox, Ky. She moved to Nichols General Hospital in Louisville, where she was a civilian nurse. When Irvin was assigned to Europe with the 7th Armored Division, she came to Belle Glade to begin her career here.

After the war, he returned to Belle Glade and was farm manager for Billy Rogers. He developed acres of sawgrass and custard apples into modern, productive farmland and was a "rapid adapter of things that worked."

Outgoing Chamber President James W. Jacks noted that Zumpf's hobby was "hard work."

"Irvin was so busy farming from morning till night that I had to find something to do," said Mrs. Zumpf of her community involvement.

Get involved, says Chamber president

By JIM JONES

Outgoing President James W. Jacks urged Chamber members to get involved in their community and to fight to make their city a better place to live Thursday, Oct. 21, at the Belle Glade Chamber of Commerce Annual Banquet and Awards Night.

Jacks dispensed with the traditional president's speech and instead addressed himself to some serious issues facing the community.

Local residents need to be more concerned about problems and get involved in their community, he said, noting that the most recent city election was cancelled because neither incumbent had opposition.

The only way to grow and prosper is through citizen involvement, Jacks said.

Jacks said he is concerned about this area's inability to get anything done about State Road 80 and noted that many politicians never come to the Glades unless they are looking for votes at election time.

"We can form a voting block with surrounding communities," Jacks said and urged the Canal Hazards Committee and the Chamber of Commerce to join hand for the solution of common problems.

"I'm very concerned about the business community. Most businesses in the Glades are hurting," he said, asking how many people look for an excuse to buy from businesses on the coast.

In other business Thursday night, County Commissioner Bill Bailey installed 1982-1983 officers and directors. They include James Herring - president, Doris Priest - first vice president, Robert Ressler - second vice president, Israel Baez Jr. - treasurer, Jewel A. Crane - executive secretary, and directors J. Steve Weeks, Mike Cunningham, John W. Pitts, and Jeanelle Meredith.

Holdover directors include

Douglas Lockhart, John E. Baker, David Goodlett, James Herring, Robert Ressler, Israel Baez, Doris Priest, and Charles Echols.

Outgoing directors are D. Bill Mathis, Pedro Gonzalez, Dennis Wedgworth, and James Jacks.

James W. Jacks presented the following awards:

-Police Officer of the Year - Sgt. Dan Crisp for his work with Crime Stoppers, the child safety program, and as training coordinator for the Belle Glade Police Department.

Crisp was born in 1948 and moved as a youngster to Lake Worth, graduating from high school in 1966. He joined the Belle Glade Police Department in 1974 as a road patrolman. He was later promoted to the detective bureau and then named training coordinator.

-Fireman of the Year - Lt. Joseph Scott, Scott joined the Belle Glade Fire Department in 1964, was promoted to fireman first class in 1968, pump operator in 1967, and lieutenant in 1970.

"He is the perfect example of a shift commander," said Jacks. -Distinguished Service Award - Mrs. Dolly Hand for her role in making the cultural arts building at Palm Beach Junior College - Glade a reality.

-Agri-Industrial Award - Irvin Zumpf (see related story).

-Citizen of the Year - Abby Zumpf (see related story).

-Certificate of Appreciation - Bob Lee for serving as master of ceremonies for the banquet.

Special guests present Thursday night included Doyle Conner, commissioner of agriculture; George and Patsy Tibbels and Diane Hall of the Pahokee Chamber of Commerce; Judy Vann and Jean Anderson of the Clewiston Chamber of Commerce; Legislative Aid Patsy McCord representing State Sen. Tom Lewis; Legislative Aid Luella Cook representing Rep. Jim West; Belle Glade Mayor Thomas Altman; and Commissioners Charles Goodlett, Bill Grear, and George Goforth, and

City Clerk June Boglioli; and Washington sugar industry lobbyist Horace Godfrey.

Others taking part in Thursday's banquet included Rev. Charles Farrah - invocation, and Fritz C. Stein - welcome.

Helping to make this year's ban-

CHAMBER officers and directors were installed by County Commissioner Bill Bailey.

JAMES HERRING is the new Belle Glade Chamber of Commerce president.

DOLLY HAND received the Distinguished Service Award.

SGT. DAN CRISP (right) of the Belle Glade Police Department received the Policeman of the Year Award.

TOAST MASTER BOB LEE (right) received a certificate of appreciation for his help in presenting the Belle Glade Chamber of Commerce banquet.

LT. JOSEPH SCOTT is the Belle Glade fireman of the year.

Seminar addresses counterfeiting, forgery

BELLE GLADE - The agricultural harvesting season will soon be in full swing, bringing in its population of migrant workers.

Anytime the population increases, there will almost surely be a corresponding increase in crimes.

Area bankers hoped to prepare themselves for a couple of those crimes when they attended a seminar last Thursday on forgery and counterfeiting.

The Palm Beach County Chapter of the American Institute of Banking sponsored the security seminar at the Holiday Inn at 6 p.m. Representatives from the Sheriff's Office, the Federal Bureau of Investigation and the Secret Service offered information and advice on how to deal with forgeries and counterfeiters.

South Florida is one of the hardest hit areas in the nation when it comes to forgeries and counterfeiting, according to Secret Service Resident Agent Dave Nozinski.

The FBI and Secret Service both concentrate anti-forgery and counterfeiting efforts in the area.

In this area, the Secret Service office in West Palm Beach handles counterfeiting cases.

Nozinski told the audience how to recognize counterfeit bills and what to do if someone tries to pass one.

Actual United States currency is printed on paper with red and blue silk threads imbedded in it. The threads can be pulled out of the paper with tweezers, according to Nozinski.

Counterfeits are usually printed on lower quality paper and those threads are missing.

Some counterfeiters will go the trouble of drawing in those threads with pens.

Most counterfeiters also use different printing processes than the United States government.

Each bill the United States prints is printed with two different methods: the intaglio and the engraved process.

Portions printed in the intaglio method have raised letters and other printed features.

The portions of bills that are the same on every bill are printed in the intaglio method. The portrait, the denominations in the corners and the type of note (Federal Reserve, United States or Silver Certificate, identified in the upper center of the front of the bill) are printed in intaglio.

The interchangeable items are printed in the engraved process.

The interchangeable parts include the serial number and the seal which identifies which federal reserve bank the bill is of.

The engraved process creates letters and

features which are indented into the surface. Most counterfeiters use an offset process which is flush with the surface of the paper.

A common occurrence in the Glades which hasn't become popular on the coast has been the passing of counterfeit bills which have been made on a copier. These bills are usually passed in poorly lit lounges, according to Nozinski.

There are other ways of identifying a counterfeit, he added.

The portrait on an actual bill is "lifelike" and placed on a screen-like background. Counterfeit bills are usually flat and lifeless. The small squares in the background are often filled in or broken.

The points on the circumference of -- actual bill are even, clear and sharp, while the points on a counterfeit may be uneven and blunt.

Serial numbers in counterfeit bills may be printed in the wrong color, also.

The serial number and seal should have numbers and letters corresponding to the same federal reserve bank. Each of the 12 banks are assigned a number and letter. The federal reserve bank in Atlanta is number six and letter F.

All bills coming out of Atlanta will have the letter F in their seal. The serial number will begin with F and the number 6 will appear in the four corners of the bill.

What should someone do if they think they've received a counterfeit?

Nozinski said it shouldn't be returned to the passer under any circumstances. It should be turned over only to the police or the Secret Service.

The passer should be delayed and the police or Secret Service telephoned. The passer's description should be noted and the receiver should put his or her initials and the date on the bill.

The bill should be placed in a protective cover. The secret service will determine if the bill is a counterfeit and, if it determines the bill is genuine, it will return it with instructions to the bank, if the receiver is a bank, to return it with the next mutilated currency shipment.

Forgeries of government checks are also handled by the United States Secret Service. Nozinski said if there is any question concerning the validity of a check, it should be checked with the Secret Service.

"The government doesn't lose a dime on forged or stolen government checks," he said. "The loss is passed to the bank which cashed it."

All checks should be properly endorsed and the names, addresses, phone numbers and description of the passer should be noted on the back, he said.

Assistant State Attorney Mike Miller said the state has become "a very good collection agency" for bounced check victims.

"We're not supposed to do that but it's a matter of practicality," he said.

Most people who find themselves holding a bad check don't care to prosecute the passer, he said. They only want their money.

"They don't want him sent to jail," said Miller. "He can't pay him (the victim) back if he's in jail."

Shafer appointed president of Christian funeral directors

BELLE GLADE— Jack Shafer, licensed embalmer and funeral director at the Mixson Funeral Home of Belle Glade was appointed to serve as President of the Christian Funeral Directors Association, Inc. of America.

Shafer

Mr. Shafer is a native of Michigan and said he received a firm foundation for Mortuary and Christian training while serving under the direction of Mr. Clark Berg of Berg Funeral Home, Kalkaska, Mich.

Shafer is a graduate of the Wortham College of Mortuary Science in Chicago, Ill., where he was a member of the Delta Epsilon Fraternity of that college.

Prior to moving to Belle Glade five years ago, he was associated with the Quisteborn-Holmes-Buras Funeral Home of West Palm Beach.

He and his wife Margaret Shafer, at 13 S.E. Avenue in Belle Glade, Mrs. Shafer, a retired Public School Teacher, now is Librarian part-time at the Christian Day School in Belle Glade. The Shafer's are

members of the First Baptist Church in Belle Glade and he is a member of the Kiwanis Club of the Glades.

Christian Funeral Directors Association, Inc. of America was conceived and organized in West Palm Beach in April 1975. It now has funeral directors and associates as members in 27 states and 1 province in Canada.

The goal of the Christian Funeral Directors Association, Inc. in our profession, in our community, in our state, in our nation," said Mr. Shafer.

Church to celebrate 35th

BELLE GLADE—The Everglades Presbyterian Church will be celebrating the 35th anniversary of the organization of the church on Sunday, Nov. 7.

A special worship service led by Rev. David T. Evans, D. Min., will be held at 11 a.m., with Dr. W.G.

Hollyfield, General Presbyter, Presbytery of the Everglades, as guest speaker.

A potluck dinner in Fellowship Hall will follow the service.

The congregation invites all members, former members and friends of the church to come join in the celebration.

Creeping—

[Continued from Page 1]

The federal government is one source of creeping tension, he said. "I wake up every morning with the nagging fear that they are going to try to help me one more time," he said.

Newberry asked if anyone knew that the federal government had spent \$64,000 trying to determine if life was to strike a major toward or away from your body. The conclusion was that it was about equally risky either way.

Two years ago, the federal government spent \$287,000 trying to figure out the effects of a projected ice age on traffic in the year 2087.

Turning toward a more serious vein, Newberry said that many people want a guaranteed life, complete with insurance, retirement, and grave site.

He warned, however, that if "you are going to have true freedom you have to have the opportunity to fail as

well as succeed. There is always risk involved with personal freedom."

Many people feel that there is slipping away and that they haven't become what they feel they are capable of. Some try to prolong life by doing nothing, he said.

"I'm convinced that whenever a person works to improve himself as a person, he also improves his work, and his community," he said.

Newberry called the attitude "if I sit still I won't get any older" a "gremlin of the mind." "You are going to get older, whether you do anything or not," he said.

"If you have that thing in life you want to shoot for, fire. Fire away," he said. "While you're doing it don't forget to have fun. Don't take yourself too seriously," he said, noting that in life the hunt "is often more enjoyable than the kill."

Sports

CDS' 5-2 record is best in history

BELLE GLADE - For the first time in the school's history, the Christian Day Crusaders will finish the gridiron season with a winning record.

Their 8-0 defeat of Boca Academy in double overtime Saturday afternoon pushed their record to 5-2, with only two more games left on their schedule.

Never before had the Crusaders finished with a winning record, but Saturday's victory assures them of finishing with a record no worse than 5-4. "The kids are real excited about it," said Coach James Jacks, who had predicted before the season that the team would go 7-2. "I feel like we can. I feel like we have a real good chance of winning these last two. We're all real pleased and excited about our record so far, and we all want to go out and win. The team has a winning attitude."

The team's biggest drawback may be its injured list, which consists of some of the team's most vital players. All three quarterbacks are injured.

Alex Morales, who appeared in Saturday's game, is still suffering from a pulled hamstring. Saturday, he threw from the shotgun after David Chamblee, the second string quarterback, was removed due to a hip joint injury.

Pipo Paez played at quarterback most of last season, but he has a sprained ankle.

James Barnwell, who Jacks called "the mainstay of our defense," played all day Saturday with a sprained ankle. Still, he kicked six punts for a 32.7 yards average and made four unassisted tackles.

Rodney Brown recently returned from a bruised knee injury, but Cary McKee injured his knee and is rehabilitating.

Fortunately, the Crusaders are off this week, giving a chance for injuries to heal before travelling to South Dade Christian.

"Hopefully, everybody will be healthy," said Jacks. "This couldn't have come up at a better time. Right now, we have five guys that are hurt."

When the wounded Crusaders took the field Saturday, they had just enough stamina to fight their way to a late victory over Boca Academy in the second overtime.

For four quarters the score remained 0-0. The Crusaders drove to within scoring distance of the goal line twice in the first period, but were turned away on incomplete passes and fumbles.

In the second quarter, Tiger Buck could have put the game away for Boca, but his touchdown

was called back because of a clipping penalty.

When the last period ended, the score was still tied, so the teams went into overtime.

A steady rain which started falling in the first quarter continued throughout the two overtime periods. In the second overtime, the Crusaders took possession at the ten.

Morales threw an incomplete pass to Robert Echols on the first down.

Philip Echols ran the ball up the middle for six yards on the next play.

On third down, Philip Echols again carried the ball, this time over the right tackle for a touchdown.

Philip Echols carried the ball around the left side from the three yard line for the two point conversion.

Boca's attempt to tie the game ended when Buck threw an interception into the arms of Robert Echols to end the game.

Boca controlled the ground attack throughout the game. It picked up 115 yards in 50 carries and nine first downs versus 49 yards rushing in 30 carries and only five first downs for the Crusaders.

Individually, Philip Echols fared better than his team on the ground, picking up 72 yards in 23

carries.

Barnwell also gained yards, picking up nine yards in three carries. Mirto Vigoa gained two yards on one carry.

Morales, playing on a sore leg, lost 26 yards in one carry, and Robert Echols lost five on his only carry.

Pipo Paez, the only other ball carrier, lost three yards in his only carry.

Boca completed only three of ten passes for 28 yards. Boca also lost the ball in three interceptions.

The Crusaders completed four passes in 21 attempts for 52 yards, and lost only one interception.

David Chamblee threw three incomplete passes, and Morales completed four of 18 attempts for 52 yards and threw one interception.

The Crusaders lost both of their fumbles and were penalized six times for 50 yards.

Boca was penalized four times for 30 yards and lost one of three fumbles. Boca's six punts averaged 24.5 yards.

"Boca's a real good ball club," said Jacks. "They gained more yards than us on the ground, but we stopped their passing. That's what they're known for. We still got an excellent defense."

Gators whip John Carroll, prepare for rival Benjamin

By JEFF BROWN

BELLE GLADE - The Glades Day School Gators could wrap up the Class A District seven this weekend. Or their opponents, the Benjamin Buccaneers, could wrap it up.

If King's Academy defeats Moore Haven and the Gators down the Bucs, the Gators are going to post-season.

Benjamin and Glades Day are rivals almost every year for the district seven crown, and this year isn't an exception.

Both teams are 1-0 in the district. Glades, having beaten King's Academy two weeks ago and Benjamin having defeated Moore Haven.

The district could get very wrapped up at the Gators home field tomorrow evening when the two square off against each other.

"We'll be working harder on our pass defense this week," said Gator Coach Byron Walker. "We'll invite Benjamin to run the ball in the middle, and if they're good enough to run it up our gut, then I'm gonna shake their hands, cause they're better team."

"I used to get all worked up about the Benjamin game," he said. "Same way with King's when we first started playing them. Now, it's just one more game. It's just another step in the ladder. The kids will be up and we'll be ready to play this is the tiebreaker. We're both tied at one and oh. We could conceivably win it all Friday night."

Just another step in the ladder. The Gators took another, although smaller, step in the ladder to a successful season last Friday, October 22, when they defeated the John Carroll Rams 26-13.

The game was more lopsided than the score made it appear. Quarterback Raul Garcia ran the ball in from the eight yard line early in the first quarter and Mike Schlechter hit the extra point.

But the Rams immediately came back with a 34 yard touchdown pass from Jody Russakis to Mo Casey. Frank Strazzulla tied the game up with his extra point kick.

The first quarter ended in a 7-7 tie. The second quarter saw the Gators put the game away with 19 points.

Davy Haynes moved the ball across the goal line from the three yard line, and Schlechter's kick failed. He made up for it moments later when he put the ball through the uprights from 25 yards out, making the score 16-7.

Haynes caught a 27 yard pass from Garcia to push the score to 22-7, and Schlechter hit the extra point to increase the lead to 16 points.

Before the end of the half, Schlechter increased his total points to eight when he hit a 28 yard field goal.

"He kicked the ball real well," said Walker. "I don't hesitate to send him out there. I think that we have a better than 50-50 chance of getting it (the extra-point or field goal)."

John Carroll scored six in the third to complete the scoring in the game. Allen Goodwin caught an eight yard pass from Russakis for the TD, but the kick failed.

In the last minute of the game, John Carroll found itself in a position to win the game with a little luck, but the Gators made a goal-line stance that preserved the victory and the 26-13 score.

The win was six inches from the goal line. A touchdown and extra point could have set up an on-side kick, but the Gators' defense held the Rams.

"Nobody's been able to sustain a long drive on us," said Walker of his defense's performance so far this year. "Overall, I'm pleased."

With the game on the verge of becoming a laughter in the second half, Walker substituted some of the first string players to give the second string some work. Garcia did not play the entire second half.

"I wasn't particularly pleased with our offensive or defensive performance," said Walker of the second half.

"They were a lot of guys who haven't seen a lot of playing time, but you always want to see them do well. We weren't emotionally up for the game. John Carroll was 0-5. Maybe if they were 5-0 it would have been different, but we came out of it in pretty good shape."

The Gators are now 4-2. The Benjamin Buccaneers and Glades Day Gators game starts at 8 p.m. at Glades Day School Friday, October 29.

THE GATORS beat John Carroll last week and are preparing for Benjamin tomorrow night. The winner will probably take the District 7A crown.

E.F.E. beats Sugar

BELLE GLADE - Everglades Farm Equipment broke a 4-4 tie with a run in the fifth and two in the sixth innings to beat Glades Sugar 7-4 last week.

Glades Sugar got on the scoreboard first with a run in the bottom of the first.

Doney scored from first on a single by Mike Frazier. The score remained

1-0 into the third inning when Glades Sugar added three runs to its total for a 4-0 lead.

Mike Hadden walked to lead off the inning and a walk to Doney two batters later loaded the bases. Mike Frazier doubled in Hadden and Doney, but Mike got caught in a double play. Frazier scored on a single by Kiko Ruiz.

That completed the scoring for Glades Sugar, but E.F.E. had just begun.

Four runs in the top of the fourth tied the game. E. Wingate's one out single started a rally in which T. Yancey, R. Cunningham and R. Alphonso scored.

In the top of the fifth, E.F.E. went ahead to stay. R. Davis walked and Ken Coghill advanced him with a single. Mayon McMullen singled Davis in to give E.F.E. a 6-4 lead.

In the sixth inning, E.F.E. added two insurance runs. Wingate and D. Bein hit back-to-back singles to lead off the inning and T. Yancey drove them in with a sacrifice.

Mace Sod and Angler's Marina are in first place in the winter softball league with 9-1 records. Mace Sod had defeated E.F.E. 7-5 and edged Gold Coast Chemicals 12-11. Mace

PHS upsets Boca

PAHOKEE-Coming off a two-week losing streak, the tough Pahokee High School Blue Devils, an underdog to Class AAAA power Boca Raton stood the test Friday to hand the Bobcats a stunning defeat.

Playing before University of Florida coach Charley Pell, who came down to the field to congratulate Sandy Hyneman following the game, the Devils defeated Boca Raton 7-0.

Pahokee took the opening kickoff and drove 80 yards for the game's only score, which culminated with Jeff Mullins plunging 2 yards over right tackle with 5:10 remaining in the first quarter.

Leading up to the score, the Devils were faced with a fourth and five situation at midfield. Coach Hyneman gambled, and won. The Devils were in punt formation and threw a screen. Hyneman said the play was "instrumental in keeping the drive alive."

The pass went from punter Wilbur Ramos to standout tight end Walter Johnson. The 6-foot-3, 225 senior caught the pass and raced to the Boca 20 yard line.

Four plays later Mullins went in for the score.

Eddie McDaniels added the conversion kick and Pahokee had unknowingly scored the only points it needed for the win.

Pahokee used a variety of play in

the scoring drive, mixing up reverses and halfback option plays with the pinpoint passing of quarterback Antonion Wilson. Wilson completed 11 passes in 22 attempts for 94 yards.

Walter Johnson had seven receptions for 65 yards, and played his best all-around game, according to Hyneman.

Hyneman said the team practiced some new plays all week and really mixed them up real well, especially well in the first half.

After the initial drive, the Blue Devils had two or three other chances to put points on the board, but were stopped by the Boca Raton defense, which before a loss to Fort Pierce Central two weeks ago had not allowed a single point to be scored on them.

Boca, playing as if either it was flat, or facing a prepared Pahokee defense, never got anything going offensively. Quarterback Derrick Crutcher, one of the area's leading passers, only completed five passes for 68 yards and the Boca ground game could only pick up 89 yards against the stingy Pahokee defense.

Three fumbles, all recovered by the Devils, hurt the Bobcats.

The Pahokee High School will play at home Friday night against Immokalee. The game is the Devils' homecoming game.

Smith leads Raiders to win

LAKE WORTH-The Glades Central Raiders won their fifth game in six starts in a game against John I. Leonard Friday night.

Quarterback Eric Smith threw for one touchdown and ran for another to lead the Raiders to a 24-0 victory over the Lancers.

Glades Central, an honorable mention selected in the state's Class AAA poll, completely dominated the game, outgaining Leonard 298-100 total yardage, and never letting John I. Leonard come close to scoring.

As a result of the Raiders outstanding performance Clifford Lee, was named the Unsung Hero

of the Week. Lee, who rewrote the record book at Lake Shore Middle School, showed his prowess Friday at Leonard. He recorded two quarterback sacks, intercepted one pass, which he returned for 60 yards for a touchdown, and anchored the air-tight Raider defense.

Eric Smith completed 6 of 14 passes for 128 yards and a 22 yard touchdown to John Ford to give the Raiders a 6-0 lead and then scored from 9 yards out as the Raiders handed the Lancers their fifth loss in six games.

Randy Rutledge had a good night. He rushed

Pro 'reluctantly' verifies hole-in-one

BELLE GLADE - Mike Underwood, the city recreation director, apparently became the latest person to hit a hole-in-one at the city golf course last weekend.

John Wright, the golf professional at the course, reluctantly verified that Underwood hit the hole-in-one on the twelfth hole Sunday, October 24. "It's the only green I hit all day," said Underwood.

which is an extremely short par three," said Wright. "And he hit a nine iron. It's almost a chip in."

"It's 136 yards,"

Rusal to speak to historical society on literature

BELLE GLADE. Barry Rusal, Associate Professor at Palm Beach Junior College, will speak to the members of the Glades Historical Society at the first meeting of the

program year at 8 p.m. on Thursday, Nov. 4 at the Belle Glade Municipal Library. He will speak on "Literature of Florida" where its has been and where it will go.

Dr. Rusal received his bachelor of arts in English at the City College of New York where he won the Lieberman Poetry Prize. He obtained his masters from the University of

Wisconsin where he served as editor of "Albatross" and regional editor of "Anon". Dr. Rusal received his P.H.D. in Kent, Ohio. His works have

been published in national magazines and in collections. He has taught at Youngtown State University. He serves on the

board of directors of the South Florida Poetry Institute and on the literature panel of the Florida State

Council of the Arts. He is artistic director of the Glades College and Community Theatre. Dr. Rusal is currently

working on a collection of poems and a historical novel. The public is invited to attend this meeting.

Plant clinic planned by Joyner

A plant clinic will be conducted by Gene Joyner, Urban Horticulturist, Palm Beach County Cooperative Extension Service, at the Glades agricultural office, 2970 North 441, Belle Glade, on Friday, November 5, from 11 a.m. to 12 noon.

Many people have problems with various plants in their landscapes and need help in diagnosing what the problem is and how to correct it. This plant clinic is set up for the purpose of allowing the public to bring in any problems they are hav-

ing with their trees, shrubbery, or lawns, and an agent will be available to look at the samples and diagnose the problem.

Bulletins on various subjects are also available at the agricultural Extension office and those atten-

dering the plant clinic are certainly encouraged to pick up bulletins of interest to them.

Persons who are unable to come to the agricultural office during the clinic hour may call in plant problems to 996-1655 and Gene Joyner will try to answer your questions over the phone.

Citrus seminar planned in BG

Citrus is Florida's favorite fruit and many residents enjoy having a few trees in their home landscapes. Growing citrus successfully does require some knowledge of the

types of pests and diseases that attack citrus and also what fertilizers should be used to keep them in good condition. To aid residents in the selection and grow-

ing of citrus and the control of various pests, Gene Joyner, Urban Horticulturist with the Palm Beach County Cooperative Extension Service, will be conducting a series

of free, slide-illustrated seminars on citrus care on Friday, Nov. 5, 9:30 a.m. at Glades Extension Office, 2970 North 441, Dade Glade.

In addition to the slide presentation, informative pamphlets

on growing citrus will be given out to those attending.

These seminars are open to the public. For additional information, call 683-1777 weekdays from 8:30 to 5:00.

Gonzalez chosen Raider of the month

BELLE GLADE. The Art Department of Glades Central High School has chosen Sergio Gonzales as the Raider of the Month for October. Gonzales, an art student of Mr. LeRoy Williams, is a senior at Glades Central and has received much recognition in the field of art.

For the past two years, he has won first place in the school's annual Educational Fair. His paintings have also been exhibited at art shows in Ft. Lauderdale. Academically talented as well as artistically, Sergio has maintained a grade average which places him in the top five percent of his class.

He is also a member of the Raider's football team and has served on the Student Council. Next year, he plans to enter the University of Florida to study medicine.

Pahokee Ford dealer chosen as one of nation's best

PAHOKEE. The Pahokee Ford Mercury, Inc., of Pahokee has been selected as one of the nation's outstanding Ford dealerships and will receive Ford Motor Company's Distinguished Achievement Award.

The Distinguished Achievement Award is presented "in recognition of outstanding management, modern sales and service facilities, sound merchandising practices, high quality standards and continuing interest

in rendering superior service to Ford owners." Michael Horsley, vice-president, has been a Ford dealer in Pahokee since 1980. The dealership is located at 154 East Main St.

Preparing fall gardens

A lot of backyard gardeners are now preparing to put in their fall vegetable gardens and if you haven't tried gardening, then perhaps this year you might try doing so. Gardening is not that difficult if certain steps are followed and the quality of home grown vegetables is always better than that of those bought in the stores.

Besides saving some money on food, gardening also gives you a lot of exercise and can be a project for the whole family. Children especially like having their own section of the garden to grow vegetables in and, of course, if you have a large growing area, excess fresh vegetables can be canned or preserved for future use.

thing in having a successful garden is locating it properly. Few vegetables tolerate shade for more than brief periods and, if possible, always put a garden where it gets full sun. Also, the garden site should be well drained since flooding for more than a brief period will drown most types of common vegetables.

CREDIT PROBLEMS?

If your loan application to purchase a new or used car was turned down by the Bank or other lending institution, the Steuarts may have good news for you.

For a limited time, we have over \$200 million dollars available for auto loans.

Good requirements are more liberal than what you've probably experienced. Terms are longer, and no down payment is necessary. Interest is well below prime lending rates charged by most banks.

Call now and drive home today in a new Pontiac, Toyota, Mazda, Fiat, or Peugeot. Call for an appointment or come in. Ask for Mr. Foster, Special Fund Finance Manager.
